I am teaching 3rd grade this year at Lone Wolf. I am married to Culley Evetts and we have four children. Brayden is in second grade, Claudia is in first grade, Cecilia is in PreK, and our youngest, Cale is one year old. I have been a teacher for 12 years and have taught a wide variety of grades and subjects. My favorite subject to teach is history/social studies. If you need to contact me, please feel free to do so either by email or the school's phone. The best time to reach me during a school day is during my planning period, which is from 12:30-1:35 p.m. If you need to call earlier, please leave a message with the office and I will return your call during my planning period. Thank you!
